Dear Harold,

Lyndon is The Vantage Point touches briefly, if inaccurately, on Nov. 22, 1963.

"Points."

Warren C. "originae" idea of Eugene Rostow.

R.F.K. insisted on McCloy and Dulles.

R.F.K. had F.B.I. in its "24 hour a day" investigation.

L.B.J. persuaded Warren to serve and Cater not to establish Texas Commission.

Oswald is death may mean the full truth will never be known.

Thus, in 3 pages L.B.J. is L.B.J.! A gross liar.

What caused top the C.B.S. deletion of L.B.J. is doubts of Oswald is role quiet!

Thus one could ask: Who does declare The W.C.?

Powell in his autobiography (Adam By Adam) claims "Oil billionaires" were the force behind Dallas. Albeit I think oil interests represented a false response ok cover.

Sincerely,

JC
